

For Children Birth to Kindergarten

We love children, just like Jesus did! And we hope to demonstrate and share the love of Jesus to each child whenever we gather.

On Sunday mornings, infants and toddlers are welcome in a variety of ways:

In Worship

Children of all ages are ALWAYS welcome in the worship service. We supply quiet activity bags and clipboards to help keep busy little hands and minds entertained. When kiddos need to wiggle and move, parents may bring them into the welcome center where parents will still be able to see and hear the worship service.

Nursery:

Infants and toddlers are welcome to spend the worship service in our staffed nursery, where they can play, make noise and participate in a short pre-school oriented Bible lesson. The nursery is open 30 minutes before and after each worship service. Parent must sign in and sign out their children and provide their phone number for text alerts in case a parent is needed.

For Kids Kindergarten to 5th Grade

On Sunday mornings, elementary aged children may choose to stay in the worship service with parents/caregivers or attend Sunday School.

In Worship

We supply quiet activity clipboards for children to use in the sanctuary during worship. Every week there is a “children’s message” time during worship when children are invited forward to hear a short child-oriented lesson related to the sermon that day. After the children’s message, Sunday School begins.

Sunday School

Our kids program provides children with an opportunity to learn from the Bible, consider how to grow in faith and follow Jesus in their daily lives. We use a hands-on, active curriculum that encourages kids to move, use their imagination, and build friendships with other students. Parents must provide their phone number for text alerts in case of an emergency, and they must collect their child in person when the worship service is over to ensure that every child is safe.

Bible Day Camp/VBS

The early in the summer, our church hosts a fabulously fun and faith building week of activities for elementary kids. Every morning (9am-noon) kids will have a blast singing, playing games, doing science experiments, learning about kids around the world, engaging with Bible Stories, eating creative snacks and making great friends.

For Parents and Families

Family Ministry Events

Each quarter during the school year, our family ministry team plans an intergenerational event to encourage and empower families to grow in faith together. These events vary from outings to a local pumpkin patch, to service opportunities, game nights, and spiritual formation experiences. These events usually include a meal and are often the first weekend of the month.

CPC Moms

Gather with other moms for an evening of conversation, hot drinks and supportive fellowship at area coffee shops or outdoors weather permitting. Join our Facebook Group CPC Moms by friending Robyn Eddy (Pastor Robyn).

For Youth in Middle- High School

Youth Group

Tweens and Teens are invited to participate in our weekly CPC Youth group. Middler Schoolers on Sundays from 11:30-1:00, High Schoolers Tuesdays 6:30-8:00pm. Here, we join together to discuss and wrestle with various topics from a faith perspective. This is a safe space for youth to ask questions, be themselves, and know that they are accepted and loved by Christ and our group.

Monthly Service and Fun

Each month, our youth gather for a time of service and fun, with different activities each month, from walking dogs at the shelter to packaging food for needy kids, going for a hike to playing at the trampoline park. This is a great time to build friendships and invite new friends.

Quarterly Overnights

In the Fall, Winter and Spring, the youth travel together for an overnight escape to play, grow our relationships and focus on faith. Be it a Lockin at Church with night games, Slope Sliding at BrianHead, or a camping trip with hiking and biking, these getaways are always awesome!

Ministries for Children, Youth and Families At Community Presbyterian Church

**Jesus said, “Let the little
children come to me, and do
not hinder them, for the
kingdom of heaven belongs to
such as these.” Matthew 19:14**

**All Children who enter our
church will feel loved and
valued as they come to
know Jesus as their
personal Savior**
